**People Above Politics**

**Vote for Jo Ellen May 19 & Nov 3**

On hot summer nights, going for ice cream is an experience, a destination, a time for families to bond. Sometimes, it's all about the ice cream. Other times, there may be a car show, cooling shade trees, a mini golf course, playground, a movie theater, a town clock, an arcade, rocking chairs, ducks to feed, or farm animals to pet. Cool down. Enjoy your summer in Lebanon County PA!
